

Product Change Notification

Document No. PCN-A-20250506 **Revision** 1.0

PCN TOPIC: WNAI-E800 Product Discontinuation and Replacement by New Generation

PCN Type: Product remove from website

Change Detail Descriptions:

The current WNAI-E800 will be officially discontinued and removed from the website.

It will be replaced by a new generation with the following enhancements:

- Redesigned mechanical structure with improved weight optimization
- Expanded GPU compatibility, supporting a wider range of graphics cards
- Product line extension with differentiated models:
 - AC power input version
 - DC power input version

This transition is intended to provide greater flexibility and improved system integration options for various application scenarios.

Change and Impact:

Critical Change: Outside dimension changes
