

Product Change Notification

Document No. PCN-A-20240131 **Revision** 1.0

PCN TOPIC:

Remove Driver CD for Resistive Touch from all Resistive Display Product Line.

PCN Type: Accessory Change

Change Detail Descriptions:

- Due to environmental awareness and social responsibility, Winmate decided to remove Driver CD for Resistive Touch from all Resistive Display Product Line. All the drivers are available for download from product resource or from Winmate Download Center.
(Website: <https://dc.winmate.com/main/shareview?token=3c0a03dd7e5aa1da547675fce7813d68>)
- Customers who require the driver CD can request it and it can be included with the product they purchase from Winmate’s sales department.
